Note Updates

11.2 Changes and Enhancements
There is a new “Clear” button in the Details form, so it’s possible to clear the information in the Details form without clearing the information in the Parent note form.

For additional support contact: 280-3510 option #1, cmasupport@creighton.edu, or www.creighton.edu/ehr
The Description found in Problem Details, now displays in the Assessment section of the note.

Assessment Section.....

- Ankle Sprain 845.00
  - Hurt while playing football
  - Status: Active

For additional support contact: 280-3510 option #1, cmasupport@creighton.edu, or www.creighton.edu/ehr
You can now choose to Show Expanded Details in the output documents. Or...
