Please follow these instructions to access the EHR v11.2 Upgrade tutorials.

- Go to blueline.creighton.edu
- Log in using your BLUE credentials.
- Select the Course titled “Creighton Medical Associates”.
- Select the “Lessons” Tab at the top of the screen.
- Drag the screen to the bottom and there will be a folder titled 11.2 items.
- Select the folder and all Upgrade modules will display:
  - 11.2 Upgrade Module 2 - Problem
  - 11.2 Upgrade Module 1 - ACI Updates
  - 11.2 Upgrade Module 3 - Orders
  - 11.2 Upgrade Module 4 - Medications
  - 11.2 Upgrade Module 5 - Vitals
  - 11.2 Upgrade Module 6 - Notes
  - 11.2 Upgrade Module 7 - HMP
Clicking on a module launches the tutorial. Please follow along, as the tutorials are interactive. If you have sound, please use your speakers, otherwise you may read the Callouts and follow along.

Once the tutorial has finished, please use the Windows Red “X” to close the tutorial and navigate to the next one.

If you have any problems logging in, please call the EHR Helpdesk x3510 option 1, or email Jennifer Kay at jenniferkay@creighton.edu.
