**COURTESY:** For the concentration and comfort of our participants, we ask that all cell phones and pagers be silenced during sessions of the conference. Breaks are provided for your communication convenience. Thank you for your cooperation.

For more information visit Creighton University CME Division’s website: [http://cme.creighton.edu](http://cme.creighton.edu)
The Creighton University School of Medicine designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in this activity.

AAPP accepts AMA category 1 credit for the CME from organizations accredited by ACCME.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Creighton is an approved CE provider by the states of Iowa, Kansas, Minnesota and South Dakota. This course meets the requirements for credit in Nebraska.

Creighton is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Creighton University School of Dentistry designates this activity for 6.5 continuing education credits.

This course is approved for 7.0 Contact Hours for Nurses and .7 CEU’s for Iowa Nurses through Iowa Western Community College Iowa Board of Nursing Provider #6.

The 11th Annual Pain Management Conference is sponsored by the Nebraska Council for Continuing Pharmaceutical Education (NCCPE). NCCPE is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Participants will be awarded 5.0 contact hours for attendance of all CE sessions on September 9, 2011, and completion of a program evaluation form - ACPE #128-000-11-092-L04-P. The 11th Annual Pain Management Conference is a knowledge-based CE activity.

Course materials have been submitted to the Nebraska Physical Therapy Association for continuing education approval.

The Board of Nursing Home Administration does not approve continuing education offerings, but may accept as continuing education for licensure and certification renewal, courses, clinics, forums, lectures, college/ university courses, workshops or educational seminars relating to health care administration; and the activity must include one or a combination of topics as defined by the Board of Nursing Home Administration. For more information visit the Nebraska Department of Health and Human Services website at: http://www.hhs.state.ne.us/crl/mhcs/nha/nha.htm

The Board of Occupational Therapy does not pre-approve continuing education programs but will accept as continuing education for renewal of a license or reinstatement of a license.

DISCLOSURE POLICY:

It is the policy of Creighton University Health Sciences Continuing Education Consortium, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to discuss to the audience any significant financial interest or other relationship he/she has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation.

ELEVENTH ANNUAL
Pain Management Conference
Practical Pain Management for Healthcare Providers
Friday, September 9, 2011
Omaha Marriott Regency
10220 Regency Circle • Omaha, Nebraska

PURPOSE AND OBJECTIVES
PURPOSE: To provide current information on pain management.

OBJECTIVES: At the end of this program the participant should be able to:

SESSION I
✓ Discuss causes, triggers, symptoms and treatment in the management of migraine disease
✓ Explain the risk of narcotics and respiratory depression in patients with COPD
✓ Review evaluation of a patient with dementia and discuss new discoveries in the science of the brain
✓ Describe the management of pain in patients with acute renal failure and chronic kidney disease

SESSION II
✓ Describe the role of a differential diagnosis in treatment of oral pain
✓ Discuss factors related to the development of chronic pain in some individuals following an acute musculoskeletal pain episode
✓ Describe therapy and contraindications of various medications given intravenously or centrally within the ICU
✓ Discuss the physiology and risk factors of Complex Regional Pain Syndrome (CRPS)

SESSION III
✓ Describe evidence-based approaches to managing pain in labor
✓ Explain the importance of the acceptance of a management of symptoms model for the treatment of fibromyalgia
✓ Discuss methods, standards-of-care and challenges in pain management for hospice patients
✓ Discuss the various treatment options available to the geriatric patient
