22nd Annual Winter Meeting

Midwest Society of Colon and Rectal Surgeons

March 13-15, 2013

Big Sky Resort
Big Sky, Mont.

To ensure your lodging accommodations, make your reservations by Feb. 11, 2013

DESIGNED FOR:
• Colon and Rectal Surgeons and Nurses

JOINTLY SPONSORED BY:
Creighton University Health Sciences Continuing Education and Midwest Society of Colon and Rectal Surgeons
Purpose and Objectives

**Purpose:** This course is designed to provide the practicing colon and rectal surgeon with updates on important aspects of caring for patients with colon and rectal diseases. Emphasis is placed on a broad range of topics to address the needs of a diversified group of attendees.

**Conference Objectives — At the end of the program, the participant should be able to:**

- Review options for optimizing the outcomes of a colorectal service line including the use of minimally invasive robotic assisted surgery
- Describe the drawbacks, benefits, indications and technical options for transanal excision of rectal cancer
- Describe optimal evidence-based pathways to minimize surgical site infections in colon and rectal surgery
- Discuss the technical aspects and patient selection process associated with sacral nerve stimulation for the management of fecal incontinence
- Review the indications, timing and spectrum of therapeutic options for patients with diverticulitis of the sigmoid colon
- Discuss factors associated with gastrointestinal anastomotic leaks and the possible role of fibrin glue in minimizing risk
- Describe the evolving changes in the payment system for healthcare delivery and the influence on colorectal surgery programs
- Describe the multimodality approach and expertise required for the management of locally advanced and recurrent rectal cancer
- Describe the timetable and variety of treatment options available for the management of toxic mega colon
- Describe available treatment options for the multidisciplinary management of rectocele, vaginal prolapsed and associated pelvic floor disorders
- Describe the diagnostic and therapeutic steps associated with the management of lymphoproliferative disorder affecting the lower GI tract of transplant and inflammatory bowel disease patients
- Review the requirements, regulations, incentives and penalties associated with the milestones of MU and PQRS
- Explain the implications of genetic variances of unknown significance in familial colorectal cancer syndromes
- Describe the evolving changes in the payment system for healthcare delivery and the influence on colorectal surgery programs
- Describe the multimodality approach and expertise required for the management of locally advanced and recurrent rectal cancer
- Describe the timetable and variety of treatment options available for the management of toxic mega colon
- Describe available treatment options for the multidisciplinary management of rectocele, vaginal prolapsed and associated pelvic floor disorders
- Describe the diagnostic and therapeutic steps associated with the management of lymphoproliferative disorder affecting the lower GI tract of transplant and inflammatory bowel disease patients
- Review the requirements, regulations, incentives and penalties associated with the milestones of MU and PQRS
- Explain the implications of genetic variances of unknown significance in familial colorectal cancer syndromes
- Describe the evolving changes in the payment system for healthcare delivery and the influence on colorectal surgery programs

Schedule

**Wednesday, March 13, 2013**

3:00 p.m. Registration
3:15 p.m. Welcome & Program Overview
3:30 p.m. Fast Track Programs in Colon and Rectal Surgery: What is the Role of MIS and Robotic Assisted Resections?
  - John D. Nicholson, M.D.
4:00 p.m. Local Excision of Rectal Cancer: Choosing the Optimal Candidate
  - Richard M. Devine, M.D., FACS
4:30 p.m. Prevention of Surgical Site Infection in Colorectal Surgery: The Voodoo That We Do
  - Sean J. Langenfeld, M.D.
5:00 p.m. Discussion & Questions
5:30 p.m. Evaluation & Adjournment
6:30 p.m. Pizza Party – Attendees & Families

**Thursday, March 14, 2013**

6:30 a.m. Registration & Continental Breakfast
7:00 a.m. Sacral Nerve Stimulation for Fecal Incontinence: Private Practice Early Experience
  - Craig L. Brown, M.D.
7:30 a.m. Surgical Treatment of Crohn’s Disease: What’s the Evidence?
  - Scott A. Strong, M.D.
8:00 a.m. Surgical Management of Diverticulitis – Is It a Moving Target?
  - Garnet J. Blatchford, M.D., FACS
8:30 a.m. Discussion & Questions
9:00 a.m. Evaluation & Adjournment
RECONVENE

4:30 p.m. Healthcare Economics: Bundled Payment Programs and Accountable Care Organizations (ACOs) in Colon and Rectal Surgery
  - Garnet J. Blatchford, M.D., FACS

**Friday, March 15, 2013**

6:30 a.m. Registration & Continental Breakfast
7:00 a.m. Management of Toxic Mega Colon
  - Kerrie R. Bossard, M.D.
7:30 a.m. Rectocele and Vaginal Prolapse Repair: A Multidisciplinary Approach to the Pelvic Floor
  - Rafael J. Pérez, M.D., FACOG
8:00 a.m. Management of Lymphoproliferative Disorder Affecting the Lower GI Tract in the Immunocompromised Host
  - Charles A. Ternent, M.D., FACS, FASCRS
8:30 a.m. Discussion & Questions
9:00 a.m. Evaluation & Adjournment
RECONVENE

4:30 p.m. Meaningful Use and PQRS for the Colon and Rectal Surgeon: How Many Hoops?
  - Jessica Quick, B.S., M.B.A.
5:00 p.m. Genetic Variances of Unknown Significance in Familial Colorectal Cancer Syndromes: What is the Significance?
  - Charles A. Ternent, M.D., FACS, FASCRS
5:30 p.m. Complicated Colorectal Problems/Case Presentation
6:30 p.m. Evaluation & Adjournment
Course Directors

Garnet J. Blatchford, M.D., FACS
Associate Clinical Professor of Surgery
Department of Surgery
Section of Colon and Rectal Surgery
Creighton University School of Medicine
Omaha, Neb.

Charles A. Ternent, M.D., FACS, FASCRS
Associate Clinical Professor of Surgery
Department of Surgery
Section of Colon and Rectal Surgery
Creighton University School of Medicine
Omaha, Neb.

Faculty

Kerrie R. Bossard, M.D.
Clinical Fellow
Colon and Rectal Surgery, Inc.
Section of Colon and Rectal Surgery
Creighton University School of Medicine
Omaha, Neb.

Craig L. Brown, M.D.
Staff Surgeon
Colon and Rectal Surgery
Presbyterian/St. Luke’s Medical Center
SurgONE PC Colon & Rectal Surgery
Denver, Colo.

Richard M. Devine, M.D., FACS
Professor of Surgery
Division of Colon and Rectal Surgery
Department of Surgery
Mayo Clinic
Rochester, Minn.

Sean J. Langenfeld, M.D.
Assistant Professor of Surgery
Department of Surgery
University of Nebraska Medical Center
Omaha, Neb.

David W. Larson, M.D., M.B.A., FACS, FASCRS
Associate Professor of Surgery
Division of Colon and Rectal Surgery
Department of Surgery
Mayo Clinic
Rochester, Minn.

John D. Nicholson, M.D.
Clinical Professor of Surgery
SUNY Upstate Medical Center
Syracuse, N.Y.

Rafael J. Pérez, M.D., FACOG
Obstetrician and Gynecologist
Center for Urogynecology and Advanced Laparoscopy
Miami, Fla.

Jessica Quick, B.S., M.B.A.
Administrator
Colon and Rectal Surgery, Inc.
Omaha, Neb.

Scott A. Strong, M.D.
Staff Surgeon
Department of Colorectal Surgery
Cleveland Clinic Foundation
Cleveland, Ohio
