

Professional Pictures and DVD of the White Coat Ceremony

On Friday, August 14 the Creighton Medical School Class of 2013 will receive their first white coats as they begin their medical careers. At the White Coat Ceremony each student will be individually recognized and receive a white coat on stage. In our experience it has been extremely difficult for friends and family to get good pictures.

This year the Class of 2010 has arranged for *Richmond Photography* to photograph the ceremony and we were able to negotiate extremely good rates for the photographs!

5 x 7 photographs for \$10
8 x 10 photographs for \$15
DVD \$15

In addition, the Class of 2010 is going to be video recording the entire White Coat Ceremony. Then members of your family who were unable to attend can share your special day, and you can look back and see who you first talked to, who you sat by, and hear the introductions of each class member as they walk across the stage.

Pictures and DVD will be ready in September and can either be picked up or shipped for \$5.
