

Wheel Tax Exemption Sticker

If your vehicle is registered in any state other than Nebraska or any Nebraska county other than Douglas, you will need to purchase a \$5.00 wheel tax exemption sticker from the Douglas County Treasurer's Office (DMV).

Students at Creighton University School of Medicine are enrolled full-time. Take the following with you to the Treasurer's Office/DMV to get your exemption sticker:

- Class Schedule (print it off NEST, don't use the one copied on colored paper you get in your mailbox)
- Student ID
- Car Registration
- Proof of Insurance
- Driver's License

The sticker is only valid for as long as the plates are valid. When the license plates are renewed during the year, take the new registration and the other four items on the above list to the DMV and buy a new sticker. Remember to get a new sticker every time your car registration is renewed.

A wheel tax exemption sticker costs \$5.00.
