

Immunization Tracker Instructions

How to view your immunization records and status in N.E.S.T.

1. Go to the following web address: <https://thenest.creighton.edu/>
2. Choose "Student/Faculty Login"
3. Use your Net ID and password to enter into the N.E.S.T. system.
4. Once logged in, click on the "Student Services" tab. Located at the bottom of the page, will be the "Immunization Tracker" link where you may choose from one of the following links:

View Immunizations:

The page displays the immunizations on file with Health Services at the top, and your required immunizations at the bottom. The bottom section also indicates if you are compliant or non-compliant. Requirements are based on the school in which you are enrolled

Upcoming Immunizations & Tests:

The screen will display the due date for immunizations needed in the future.

Enter Additional Immunizations:

Choose from the "Immunization/Test" drop down menu to select the immunization/test you are entering.

Enter the date of the immunization date then click on the "Submit" button.

If the selected immunization/test requires a result of Negative or Positive, an additional dialogue box will display where the result needs to be selected. After the date of the immunization/test and the result are entered, click on the "Submit" button.

Things to remember

- This information is subject to audit. You may be required to submit documentation
- Immunizations should be entered in Chronological order.
- If you realize your immunization information is incorrect, you will need to submit a copy of your documentation to Health Services so it can be corrected.
- NEST will accept immunizations that are not required.
- You will need to update N.E.S.T. with immunizations that may expire in the future.
- An Official report of your immunizations can be requested from the Center for Health & Counseling, located in the Mike & Josie Harper Center.
- If you have any questions please call our office at 402-280-2735
