

2018-2021 Internal Medicine Core Curriculum Topics	
	Allergy/Immunology - 1/year
1	Chronic Urticaria and Angioedema
2	Acquired and Congenital Immunodeficiency
3	Drug Allergy/DRESS
	Cardiology Core - 4 x per year, with 1 year having 5
1	Heart Failure: Acute
2	Heart Failure: Chronic, Transplant, Devices
3	Atherosclerosis & CAD Outpatient Management
4	Acute Coronary Syndromes
5	Cardiomyopathies & Heart Transplant
6	Pericardial Diseases
7	Valvular Heart Disease-1 (Aortic/Pulmonary Valve Diseases)
8	Valvular Heart Disease-2 (Mitral/Tricuspid Valve Diseases)
9	Non-Invasive Cardiac Testing & Imaging
10	Peripheral Vascular Disease
11	Hyperlipidemia/Lipid Disorders
12	Atrial Fibrillation
	Cardiology EKG Interpretation - E/O month
1	E/O month
	Dermatology - 2/year, with 1 year having 3
1	Acne Rosacea
2	Drug Rashes
3	Petechia, Purpura, Vasculitis
4	Blistering Disorders
5	Pigmented Lesions/Skin Malignancies
6	Psoriasis
7	Dermatologic Emergencies
	Endocrinology - 3/year
1	Diabetic Ketoacidosis and HHS
2	Inpatient Management of DM
3	Outpatient Diabetes Management
4	Pituitary Disorders (Hypopituitarism + Hyperpituitarism)
5	Hyperthyroidism and Hypothyroidism
6	Adrenal Disorders
7	Osteoporosis and Other Bone Diseases
8	Hypercalcemia, Hypocalcemia
9	Thyroid Nodules Evaluation and Management
10	Neuroendocrine Tumors/MEN Syndrome/Polyglandular Syndrome
	Gastroenterology - 5/year, with 1 year having 4
1	Cirrhosis and Liver Transplantation
2	GI Bleeding
3	Esophageal and Motility Disorders
4	PUD and H Pylori
5	Pancreatitis
6	Acute and Chronic Diarrhea/Malabsorption
7	Inflammatory Bowel Diseases

8	Hepatitis C and Hepatitis B
9	Alcoholic and Nonalcoholic Fatty Liver Disease
10	Biliary Disorders
11	Abnormal LFTs
12	Acute Liver Failure (Alcohol, Meds, Hepatitis A/E)
13	Celiac Disease /IBS
14	Colorectal Screening/Polyps
	General Internal Medicine - 2/year
1	Outpatient Narcotic/Pain Management
2	Ophthalmology for the Internist
3	Screening
4	Vaccinations
5	Osteoarthritis
6	Constipation
	Hematology/Oncology - 7/year with 1 year having 8
1	Transfusion
2	Sickle Cell Disease
3	Approach to the Anemic Patient
4	Myelodysplastic Syndrome and Myeloproliferative Disorders
5	MGUS, Myeloma and Amyloidosis
6	Thrombocytopenia
7	Bleeding Disorders
8	Leukemia
9	Lymphoma/Hodgkin's & Non Hodgkin's
10	Hypercoagulable Syndromes
11	Blood Smears
12	Cancer Survivorship
13	Hem-Onc Emergencies
14	Breast Cancer
15	Lung Cancer
16	Colon & GI Cancers
17	Uterine and Ovarian Malignancies
18	Cervical Cancers
19	Genitourinary Cancers
20	
21	Cervical Cancers
	Pharmacy
1	NOACs
	Hospital Medicine Services - 8/year with 1 year having 9
1	Perioperative Assessment
2	Delirium
3	Nutrition and the Hospitalized Patient (2 lectures: 1 HMS, 1 Nutrition services)
4	Alcohol and Drug Withdrawal
5	Hypothermia and Frostbite
6	Syncope
7	Hypertension Inpatient and Hypertensive Emergencies
8	Career Orientation in Hospital Medicine/Updates in Hospital Medicine

9	Effective Consultations
10	Venous thromboembolism (PE/DVT)
11	Sepsis
12	Bowel Obstruction
	<i>Infectious Diseases - 5/year with 1 year having 4</i>
1	Antibiotic Choices and Stewardship
2	HIV Therapy(Outpatient HAART Therapy and Management)
3	Opportunistic Infections and Complications of HIV
4	CNS Infections
5	Skin Infections (Cellulitis, Necrotizing Fasciitis, Toxic Shock Syndrome)
6	Vector Borne Disease
7	Urinary Tract Infections/Pyelonephritis/Prostatitis
8	Tuberculosis TB evaluation/Management
9	Fungal Infections
10	Osteomyelitis/Septic Arthritis
11	ID for Travelers/Travel Medicine
12	Transplant ID + Opportunistic Infections
13	Hospital Acquired Infections
14	Infective Endocarditis
15	FUO
16	Neutropenic Fever
17	Pneumonia
	<i>Nephrology - 3/year with 1 year having 4</i>
1	Acute Renal Failure
2	Hypo K and Hyper K
3	Hyponatremia and Hypernatremia
4	Acid-Base Physiology
5	Renal Transplant and Post Transplant Care
6	Chronic Kidney Failure/Dialysis
7	Calcium/Phosphorus in Renal Disease
8	Nephritic Syndrome
9	Nephrotic Syndrome
10	Renal Syndromes and Clinical use of Diuretics
	<i>Neurology - 3/year</i>
1	Ischemic Stroke
2	Hemorrhagic Stroke
3	Dementia
4	Headache
5	Movement Disorders
6	Multiple Sclerosis
7	Neuromuscular Diseases and Adult Muscular Dystrophy
8	Epilepsy
9	Peripheral Neuropathies
10	Approch to Coma and Brain Death
	<i>Palliative Care - 1/year</i>
1	Palliative Symptom Management (Management of Nausea/Vomiting and Others in a Dying Patient)
2	Inpatient Opioid Pain Management
3	Breaking Bad News + Communication about Death and Dying + How to Address Code Status

4	In and Out of Hospice Care
	Psychiatry - 2/year
1	Inpatient Management of an Agitated Patient (PJ Malin)
2	Components of Capacity Assessment (PJ Malin)
3	Outpatient Antidepressant Management (classes of drugs + side effects)
4	Overdose of Psychiatric Meds/Psych-Pharmacology
5	Antidepressants: 1 of 2
6	Antidepressants: 2 of 2
7	Substance Abuse
	Pulmonary - 5/year with 1 year having 6
1	Acute COPD Exacerbation
2	Outpatient COPD Management
3	DVT/PE
4	Acute Respiratory Failure
5	Shock
6	Asthma
7	Interstitial Lung Disease
8	Pleural Effusions and Chest Tubes
9	Pulmonary Hypertension
10	Mechanical Ventilation and Noninvasive Mechanical Ventilation
11	Cystic Fibrosis, Bronchiectasis and Lung Transplant
12	Pulmonary Function Tests
13	Granulomatous Lung Diseases and Non-Granulomatous lung disease
14	Sleep Disorders and Obesity Hypoventilation Syndrome
15	Sepsis
	Rheumatology - 4/year with 1 year having 3
1	Rheumatologic Emergencies
2	Rheumatoid Arthritis
3	Spondylarthropathies
4	Gout and Other Crystal-Induced Diseases
5	Sjogren's Disease and Scleroderma
6	Systemic Lupus Erythematosus
7	Small Vessel Vasculitis
8	Large and Medium Vessel Vasculitis
9	Inflammatory Myopathies + Polymyositis + Dermatomyositis
10	Antiphospholipid Antibody Syndrome
	Women's Health - 1/year
1	Sexually Transmitted Infections
2	Dysmenorrhea & Dysfunctional Uterine Bleeding
	Miscellaneous - 1/year or 1x over 3 years
1	Medical Legal Issues
2	Radiology Interpretation for Internist
3	Kidney Stone and Hematuria
