Medical Education Program Policies

POLICY: Admissions Policy on Applicant Selection Criteria and Process  
GOVERNING BODY: Educational Program Committee  
APPROVAL DATE: 10/22/2019  
REVISED DATE: 1/28/2020; 7/21/2020; 6/22/2021  
LCME ACCREDITATION STANDARD REFERENCE: 10.3

PURPOSE
The purpose of this policy is to describe the criteria and process for selection of applicants for matriculation to the Creighton University School of Medicine (CUSOM) Medical Education Program.

POLICY
The Admissions Committee has ultimate authority and responsibility for every step in the process of selecting applicants for matriculation to the Creighton University School of Medicine (CUSOM) Medical Education Program. With the approval of the Admissions Committee, the Assistant Dean for Admissions and/or the Director of Admissions are delegated the responsibility for reviewing and selecting applicants for interview using the selection criteria noted below. Emphasis is placed on a holistic review of applications. Interviewed applicants then come before the Admissions Committee for review and are accepted, rejected, or placed on the alternate list. Applicants on the alternate list will be reviewed by the Admissions Committee again later in the admissions cycle for possible acceptance if their deficiencies have been successfully addressed or are no longer relevant, and as space in the class becomes available due to withdrawals.

PROCEDURE
A. Applicant selection criteria are posted and described in several venues.
   1. AAMC's Medical School Admissions Requirements (MSAR) publications
   2. Medical Education Program Admissions webpage
   3. Medical Education Program Admissions recruitment brochure
   4. CUSOM Bulletin
   5. Meetings with applicants during:
      a. In person or virtual visits to CUSOM
      b. Career/College Fairs
      c. Phone appointments
      d. Other recruitment activities and events

B. Prerequisites, if any, are established by the Admissions Committee and are reviewed, modified as necessary, and approved annually.
   1. Minimum MCAT ≥ 498
   2. There are no specific required prerequisite courses for acceptance
   3. Minimum total coursework credits in biology, chemistry, physics, and math should be 40-45 hours.

REVISED DATE: 1/28/2020; 7/21/2020; 6/22/2021
LCME ACCREDITATION STANDARD REFERENCE: 10.3

4. Recommended recent coursework (past 3 years) in an accredited 4-year college/university in the US or Canada, as preparatory to the MCAT and a rigorous medical school curriculum is as follows:
   a. Strong background in biology including introductory and advanced courses, e.g., physiology, immunology, and genetics.
   b. Strong background in chemistry including introductory and advanced courses, e.g., biochemistry.
   c. Additionally, coursework in English, humanities and statistics is strongly recommended.

C. Selection Criteria and Assessment Tools
   1. Scholastic ability
      a. Successful completion of prerequisite courses
      b. Grade point average (GPA) especially in biology, chemistry, physics, and math (BCPM) courses
      c. GPA in BCPM and trends over time during undergraduate education
      d. Upper level science course enrollment and grades
      e. MCAT score(s)
      f. Written and verbal communication skills
   2. Motivation and Intellectual Curiosity
      a. Volunteering or employment in a health care setting
      b. Diverse physician shadowing experiences
      c. Personal statement
      d. Research
   3. Community Service
      a. Direct service work especially for disadvantaged or underserved populations
      b. Consistent service over time into the present
   4. Emotional maturity, honesty and integrity
      a. Evidence of leadership and teamwork skills
      b. Appropriate communication with the Admissions Office
      c. Institutional action
      d. Misdemeanors/felonies
      e. Military discharge category

D. Application Process
   1. Candidates submit their applications to the CUSOM Medical Education Program through
Creighton University School of Medicine

AMCAS.
2. A secondary application is considered complete when letters of recommendation, a photograph, and an application fee are submitted.

E. Selection for Interview
1. With the annual approval of the Admissions Committee, the Assistant Dean of Admissions and/or the Director of Admissions will screen all completed applications for possible interview using the criteria noted above (C1-C4) and in the table below (H).
2. The Admissions process is committed to recruiting and selecting applicants that are diverse in nature. For the purposes of this policy, diversity is defined as first generation which, according to CUSOM policy, is a student whose parents have not completed a bachelor’s degree from an institution in the United States or Canada. The rationale for this focus is the inclusion of lower socioeconomic, underrepresented in medicine, and underprivileged populations.
3. Life experiences and a record of service to disadvantaged populations, and/or talents which may enhance patient care and health equity are valued.
4. Attention is given to applicants who are:
   a. Pursuing or have completed a Creighton degree
   b. Recommended by members of the Creighton community, including faculty, current medical students, and/or alumni
5. A holistic review process is used to assess these factors in the context of the core qualities considered necessary in a physician such as proven scholastic ability, proper motivation and intellectual curiosity, service to others, and emotional maturity, honesty, and integrity.

F. Interview Process
1. Interviews are offered each week beginning in August and continuing through the end of the cycle.
2. Each interview week is conducted virtually over a period of five weekdays as follows:
   a. Applicants invited to interview are asked to initially view several pre-recorded video presentations on topics of interest including:
      i. Introduction to Creighton University and CUSOM including mission, Jesuit values, curriculum, service opportunities, general admission criteria, and related issues
      ii. Financial aid process
      iii. Jesuit ideals and pedagogy
      iv. Diversity and inclusion

LCME ACCREDITATION STANDARD REFERENCE: 10.3

v. Virtual tour of campus, facilities, simulation center, etc.
b. Applicants then sign up for two, 30-minute virtual interview slots Monday through Thursday 8AM-8PM
   i. One 30-minute virtual interview will be with a faculty, staff, alumni.
   ii. One 30-minute virtual interview will be with a M2-M4 medical student.
   iii. Interviews are “open interviews” so that interviewers can review the applicant’s file prior to the interview.
iv. During the interview, evaluators focus on the applicant’s motivation for a career in medicine, knowledge of medicine as a career, commitment to community service, personality characteristics, teamwork, leadership, communication skills, life experiences and extracurricular activities, academic background, and aspects of note gleaned from the recommendation letters.
v. Interviewers complete an interview evaluation form for each applicant interviewed.
e. On Friday of each given interview weeks applicants must participate in the following virtual concluding activities:
   i. Meet the Dean with Q & A (30 minutes)
   ii. Discussion and Q & A with current CUSOM medical students (60 minutes)
   iii. Wrap-up, Q & A, and closing comments by the Directors of Admission and Assistant Deans for Admissions (45 minutes)
   iv. Dismissal

G. Admissions Committee Review and Decision
1. The final responsibility for accepting applicants to the CUSOM Medical Education Program rests with the Admissions Committee.
2. Admissions Committee membership is defined in the CUSOM by-laws.
3. The Admissions Committee generally meets weekly through the admissions cycle. In order to conduct business, the Admissions Committee must achieve the following:
   a. A quorum, defined as 50% plus 1 of voting members.
   b. A majority, defined as 50% plus 1, of voting members must be faculty, excluding faculty who also hold titles of Dean, Associate Dean, or Assistant Dean in CUSOM.
4. Members of the Committee review applicant files holistically with consideration of the selection criteria mentioned above, information and academic data from the AMCAS and secondary application, letters of recommendation, and interview evaluations.
5. A final admission decision is made for Acceptance, Alternate (Wait) List, or Decline Admission.
6. Acceptance
   a. The offer of acceptance is made in the form of an email with supporting attached
documents.
   b. An applicant may accept the offer by returning the response form and paying a
deposit.
   c. The class deposit is refundable to applicants who withdraw their acceptance by April
30 of the matriculating calendar year.
   d. An applicant who does not respond within the 14 business days is contacted by
phone and reminded of the offer.
   e. If a response is not received in a timely manner the applicant’s acceptance is
withdrawn.
7. Alternate List
   a. Applicants placed on the Alternate List are candidates who have been interviewed
that have one or more deficiencies in their application.
   b. Such applicants may contact the Admissions Office to find out the reason for being
placed on the Alternate list and are then encouraged to redress the deficiencies in as
much as is possible and inform the Admissions office of the remediation.
8. Acceptance from the Alternate List
   a. Applicants on the alternate list are encouraged to update their files with grades and
activities that supplement their AMCAS and secondary applications.
   b. The Admissions Committee has final authority to determine which applicants will be
accepted from the alternate list.
      i. The review of alternate list is done by the Admissions Committee once in January
and again in May and may continue as necessary until the class matriculates.
      ii. At these meetings, applicants may be accepted by the Admissions Committee or
remain on the alternate list.
      iii. At the May meeting, the Admissions Committee ranks applicants remaining on
the alternate list for subsequent acceptance in rank order, should slots become
available due to withdrawals.
9. Rescinded Acceptance
   a. Under rare circumstances, an acceptance offer may be rescinded when new
information about the applicant comes to light, e.g. failed background check,
falsification of records or documents, etc.
   b. Cases where withdrawal of acceptance is being considered will be brought to the
Admissions Committee for adjudication with input from CUSOM legal counsel.

SCOPE
Applicants for matriculation to CUSOM Medical Education Program, interviewers, and Admissions Committee members.

ADMINISTRATION AND INTERPRETATION
The Office of Admissions is responsible for the administration and interpretation of this policy. Please forward questions to the Chair of the Admissions Committee.

AMENDMENT
This policy may be amended by majority vote of the Medical Education Program Admissions Committee and the Educational Program Committee.
